Signing up to receive Paperless Statements

If you don't already have a login, sign up to the NueMD billing portal. Our website has a link. When signing up, click "Don't want to use SSN" to identify yourself instead via your cell or city/zip. (We don't keep your social security on file.)

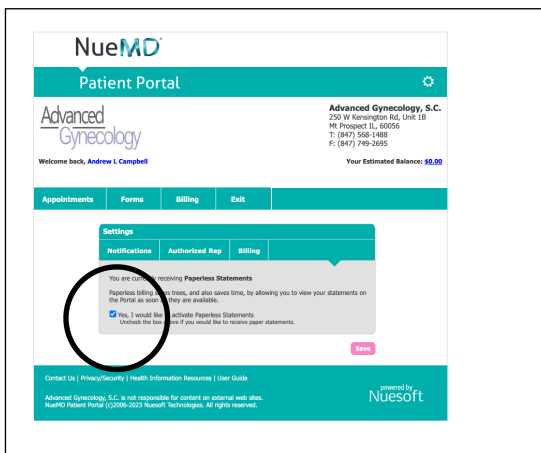

1 Once signed up, log in. Click on the "gear" icon in top right.

2 Page at right should display. Click on "Billing."

3 Page at right should display. Click on "Yes..." to activate paperless statements.

Notes

NueMD is separate from PatientFusion, our portal for medical information and appointment scheduling. NueMD's payment button accepts any credit card, not just Paypal. PayPal is simply card processor.
